

The Power of Love: *A Transformed Heart Changes the World*

Fran Grace, Ph.D., will speak about her new book on the power of love to change the world.

St. Louis County Library

Grand Glaize Branch
1010 Meramec Station Road
Manchester, Missouri

Wednesday, November 7, 2018

6:30 p.m.

Dr. Grace has been interviewed on CSPAN and NPR and serves as Professor of Religious Studies and founding Steward of the Meditation Program at the University of Redlands in Southern California.

Learn more about her work at www.innerpathway.com.

"In these pages are told the simple secrets of love, and Fran's story to uncover and live them... Here are our tears and crises, sudden moments of joy, simple human experiences combined with the taste of a deeper truth. This is the most precious offering we can make to life, to live this story, just as Fran has lived hers."

– From the Foreword by Llewellyn Vaughan-Lee
Sufi teacher, interviewed on Oprah's Super Soul Sunday

"This spiritual autobiography...is very timely for a fractured world that needs to be reminded of the One in whom we all—regardless of religious affiliation—live and move and have our being."

– Wilkie Au, Ph.D.
*Emeritus Professor of Theological Studies
Loyola Marymount University*
